

Bible Walkout

And I will walk 500 miles - well maybe not that far.

Our walks have begun again. People from across the circuit meet together at 10am each Friday morning and, with the help of a 'Walk Guide' ponder on a Bible passage as we wander – no pre reading necessary!

We have been alternating each week between two routes but with the hope of adding more. Anne Offler or Sue Smith can give details of where the walk is to be on any week you are able to come along. The walks are completed within an hour and are at a pace comfortable to the everyone that comes – no one has yet been slower than Anne who is regularly overtaken by snails and tortoises!

The walks are particularly chosen to be wide paths, flat and fairly hard surface so people of all abilities can come along safely. They are risk assessed and are in keeping with current Government and Methodist Church guidelines. Anne and Sue can answer any questions relating to this.

So, best foot forward, come and join us for a great time of fellowship and fun.
