

The Methodist Church - Barnard Castle & Teesdale Circuit

Creative Workshops 2021 on Mark's Gospel

This year's Creative Arts Workshop is focussing on the 2021 Bible month theme of **Mark's Gospel**. The invitation is extended to those interested both in the circuit and in other churches and to those who are not members of any church. Our format is a drop-in style of workshop and it is not necessary to attend all the sessions or all the dates.

We encourage people to use any creative arts with the resources that they have to hand. This may include painting and drawing; photography; collage; textile art; meditative colouring; creative writing (poetry, story or song writing); or other creative activities that we haven't tried!

We aim to provide a welcoming space to discover more about the Christian faith wherever people are on their own faith journey and whether or not they have tried creative writing or artwork before.

In June we will be offering an ON-LINE WORKSHOP via a *Zoom* link-up on **Thursday 17th June**. Because of the nature of the online format, we would encourage those wanting to take part to join at the beginning of a 2-hour session (at 10.00 am, 2.00 pm or 7.00 pm) for the introduction and opening conversation even if not intending to stay for the whole of a 2-hour session.

In July we will be offering a HANDS-ON WORKSHOP in the church hall at Barnard Castle Methodist Church on **Tuesday 20th July and Wednesday 21st July**.

For more information or to register your interest,
please email alan.coustick@methodist.org.uk (01833 908604)

There is no charge for attending the session. You are welcome to bring your own materials. Some materials will be available at Barnard Castle for which we will invite donations.
